

Make Your Mark at HARC!

Celebrate, dedicate or remember someone you care about, today!

Since 1951, HARC has provided quality services and programs to individuals with intellectual disability and their families. It has been HARC's mission to help our people enjoy lives of quality, inclusion and dignity – and this has been accomplished, in large part, thanks to the support of our families and friends.

HARC's Commemorative Brick Program helps raise funds for the many services and programs we offer to individuals with intellectual disability and their families.

The bricks are installed, for all to admire, at HARC's main entryway, and are a wonderful tribute to members of the HARC Family: the many people and businesses who care about HARC. See your name, or the name of your loved one, family, business or club engraved as a permanent symbol of your support and tribute.

Bricks are \$250 each, including inscription and handling. HARC must receive a minimum number of orders for installation.

Your brick order will help HARC continue to improve the quality of life for people with intellectual disability and their families – and will add your personal, permanent mark to the ever-growing brick tribute at HARC's entryway!

ORDER FORM Please fill out, detach, and send with payment, or pay online: www.harc-ct.org and click on the Donate Now button.

One or two line inscription.
Maximum of 18 characters per line.
Characters include letters, logos, numbers, spaces & punctuation marks.
