

Employment Readiness

WHAT WE DO:

Prepare our participants for meaningful jobs in the community. The Employment Readiness Center (ERC) bridges the gap between skills acquired in the person's educational program and skills needed for a productive life in the community. **Population Served:** Persons over the age of 16.

Since 1951 Harc has been *Sparking Possibilities* for those with intellectual disabilities. Harc provides special needs support for a lifetime to individuals and their families so they may enjoy lives of quality, inclusion and dignity.
