STAFF AND FAMILY E-NEWSLETTER

What's New In March?

A message from our President & CEO Russell Coleman

March brings with it a special sense of unity and dedication within our Harc family, especially as we recognize Developmental Disabilities Awareness Month. It's a time when we come together to reflect on our shared journey, celebrate the achievements of our loved ones, and reaffirm our commitment to supporting individuals with intellectual and developmental disabilities (IDD) and their families.

One shining example of this commitment is our collaboration with TheatrerWorks and our production of Beyond the Stage. Throughout the past month, our dedicated committee has been hard at work, ensuring that every individual who dreams of participating has the chance to shine. From the outstanding auditions on February 29th and March 1st to the ongoing preparations, each step has been a testament to the talents and spirit of our Harc family.

At Harc, our mission is more than just words; it's a guiding light that shows us our way every day. We believe in providing lifelong support to individuals with IDD, fostering lives filled with quality, inclusion, and dignity. Through programs like Beyond the Stage Production, we live out our tagline, "changing minds, changing lives," by embracing diversity and empowering every individual to reach their fullest potential.

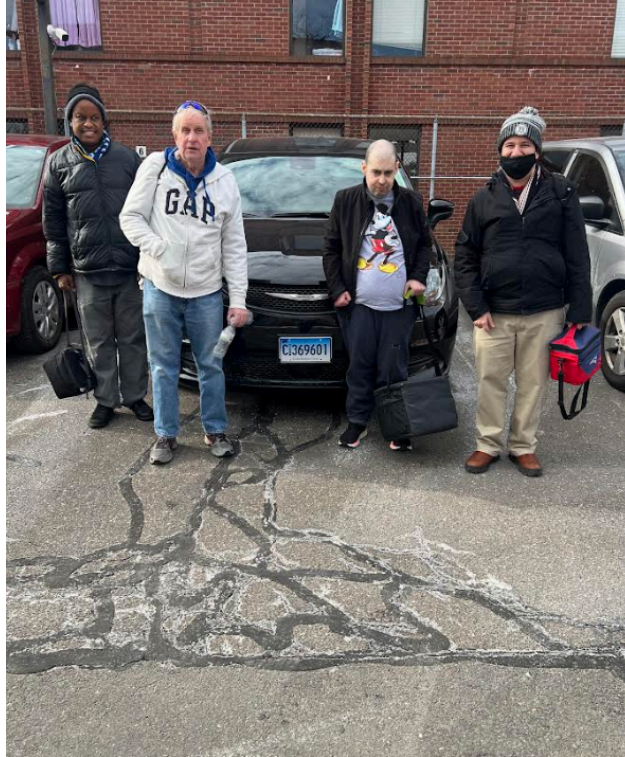

To our families and staff, you are the heart and soul of Harc. Your unwavering support and dedication fuel our efforts and inspire us to push boundaries, challenge perceptions, and create a world where everyone feels valued and included.

As we come together to celebrate Developmental Disabilities Awareness Month, let's take a moment to appreciate the transformative power of community and collaboration. Together, we are stronger, and together, we will continue to make a difference in the lives of those we serve.

Thank you for being a part of our Harc family, where every voice is heard, and every dream is supported.

- Russell Coleman

March To Your Own Beat With Kibu

Kibu for individuals offers engaging fitness, recreational, job, and life skills classes which inspire confidence and create change. There are over 350 videos on this platform that help educate our individuals. From tutorials on how to go shopping, use an ATM, to Chair Yoga, American Sign Language courses, and even sparring classes with Heavyweight boxing champion Mike Tyson!

A cool feature about Kibu is that we can request a video if they do not have the content we are looking for to share with our individuals. We are integrating this platform with Residential and our Supported Employment program.

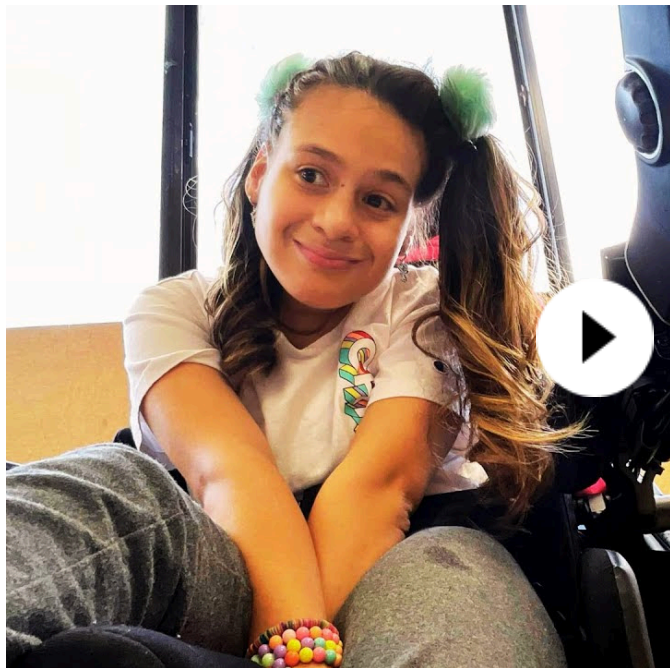

Kibu effortlessly guided the participants through a series of fun, high-intensity dance combinations that got the heart pumping and calories burning.
